ABOUT US

We're Having A Party is a full service event company serving the Maryland, D.C., and Virginia area. Our goal is to simplify the task of party planning. We offer a full line of rental items and entertainers, including moon bounces, concessions, tables and chairs, DJ's, airbrush tattoo artist, and so much more. We specialize in corporate and private event planning, as well as offer custom balloon designs, floral arrangements, and themed oriented events decoration.

In addition, we work closely with our sister company: **Party Warehouse**. Party Warehouse is a retail party supply store that carries just about everything a great party may need.

VIRTUAL REALITY IMMERSION CUBE

Once you put on the Vive headset, you're immersed in a world full of surprises. Walk around freely and explore everything—the Chaperone guidance system keeps you within the bounds of your play area. Stunning graphics make it feel so real and surreal simultaneously.

Wireless controllers in each hand combined with precise SteamVR™ Tracking mean you can freely explore and interact with virtual objects, characters and environments. VIVE's controllers are designed specifically for VR with intuitive controls and realistic haptic feedback.

Choose from a large selection of games like Tilt Brush, Fruit Ninja, Audio Shield and so many more.

DIGITAL ENTERTAINMENT

POWER BEER PONG

Beer pong meets hi tech in this awesome arcade style Ping Pong game. Try your skills out and see who is the better shoot. Beer not included.

CHAOS

Chaos combines the excitement of the Strike A Light reaction game with the twist of the lights being able to change color. Each player will try to hit lights corresponding with their color, which move around the board, creating chaos. Increase your throughput with 4 players in this adaptation.
